<u>Password</u>	
The PowerPoint game is simple to setup. The teacher types a vocabulary word on each slide in the subtitle textbox. Then press F5 on the keyboard to start the game. Setup directions are found on slide 2. <u>Download Password Game</u>	
<u>Wheel of Fortune (Whole Class Review Activity)</u>	
Give each student an index card with a number from 1-8. Students are instructed to write a review question, math problem, or spelling word on their card. Click the Spin Button. When the wheel hits the number on the index card, the student chooses who will receive the question on their card.
